

The **Southern Ohio Indoor Music Festival** was established in 2003 and is presented twice each year, in March and November, at the Roberts Convention Centre in Wilmington, Ohio.

The **Southern Ohio Indoor Music Festival** features nationally known acoustic music groups, including pioneers of Bluegrass music, as well as a sampling of up and coming bands. Our goal is to feature Bluegrass, Old-time, and Gospel music, combined with family fun and educational opportunities in an entertaining, smoke and alcohol free environment.

The **Southern Ohio Indoor Music Festival** is presented by Classic Country Radio & Joe Mullins and the Radio Ramblers. We host our event at the Roberts Convention Centre, located at the intersection of US 68 and I-71 at Exit 50, which is less than an hour drive from Dayton, Cincinnati and Columbus. Ideally located for guests and vendors alike, the Roberts Centre is more than just a convention center. The Roberts Centre includes a Holiday Inn, Max and Erma's Restaurant, RV parking, as well as state of the art facilities for hosting our annual INDOOR music event.

We enjoy maintaining our promotional partnerships with quality businesses who value the opportunity to present their products and services to our audience of over 1,300 enthusiastic fans at our two-day event. The majority of our vendors and sponsors are veterans of our event, returning year after year because of the loyalty of our guests.

We would enjoy getting to know you and your products and/or services as well. Opportunities are limited for vendor space, so please let us coordinate your participation as soon as possible.

We look forward to serving you.

Thank you,

Tammy Mullins
